Dear ehu_us2014,

Hi there,

I apologize for lack of communication on my end over over the last week. I'm traveling but will be home tomorrow and can get you all the info you requested as well any more pics if you'd like. I can tell you that the piano has (sadly) rarely been touched/played in its time, but because of such all keys/electronics do work flawlessly. It was purchased brand new in 2000.

I will accept your $4,000 offer, if your interest remains. As for shipping, I'm not aware of what the cost would be to ship it to Manhattan, but I can look into that further if you wish.

Like I said, I'll be back home tomorrow and can provide you more information/pics if needed.

Best,
Rocky

Dear enge_rock,

Dear enge_rock
Would you consider $4000?
I'm not a local. If I'll buy it I'll pick it in NJ, but can you give me a (non committing) idea how much it might cost to move it to Manhattan? Flat to flat, I mean.
Best

Marketplace Safety Tip

- Keep your money safe - never pay for items with cash or instant money transfer services, such as Western Union or MoneyGram. In the past some sellers have exploited these payment methods in order to defraud buyers, so eBay has banned them from the site.
- Received a Second Chance Offer email? Double check that it's genuine: Second Chance Offer emails come directly from eBay and are shown in your My Messages.
- Trade safely. Beware of anyone who contacts you about buying or selling outside of eBay. When you trade outside of eBay, you're not able to leave feedback or take advantage of protection programs and case resolution tools available on eBay. Report an inappropriate email.
- eBay helps guard your privacy and online safety when you use our messaging tools. If you and the member you're contacting haven't bought or sold from each other recently, our tools may make both of your email addresses anonymous.
